## Library Reading Programs

LINCOLNWOOD  
PUBLIC LIBRARY

# What is Beanstack?

Lincolnwood Library reading programs such as Summer Reading use Beanstack, our online platform to track reading. Once you've used Beanstack to track enough reading to meet goals, stop by the library to pick up prizes!

## Create Your Account

Account creators are adults. Each Beanstack account can have multiple people registered as readers, so families are able to share one account.

1. Go to <https://lincolnwoodlibrary.beanstack.com/>
2. Select **Register an Individual or Family**.
3. It asks **Have you previously used Beanstack?** Select **No**.
4. On the next screen, select either **I am registering myself** or **I am an adult registering a child**.
5. On the next screen, fill out your **name**, pick a **username**, enter your **email address**, create a **password**, and select your **age** to determine which challenges you are eligible to complete. If you are also registering a child, fill out the **Reader Information** section.
6. Select **Next**. The system will give you a digital badge for having signed up – Congratulations! You can click **X**. (Children under 5 years old can sign up for Summer Reading and the 1000 Books Before Kindergarten programs).
7. It may ask if you want to add another child. You can say **Yes** if you want to add more readers or **No** if you do not.
8. If you are registering children, after the last child, it will ask to register an adult on the account. You can say **Yes** if you want to participate as well or **No** if you do not.

You will be redirected to the reading programs homepage. You can select the name in the upper right corner to switch between readers. To sign out, select the **gear** symbol and then select **Sign Out**.

Once you've finished creating your account, you can log in on any number of other devices, including phones and tablets, using the same username and password you just created. Download the Beanstack app from the Google Play Store or Apple's App Store.

## Register for a Challenge & View the Reading Program

The **Challenges** tab is the Beanstack homepage. To register for a new challenge, such as Summer Reading, look under **More Challenges** to discover programs for which you are eligible. Select the image and then **Join Challenge**. Programs for which you are registered will appear under **[Your Name]'s Challenges**. Select the program to see more information, including an **Overview** and the **Ticket Drawings**.

## Logging Reading

Select the orange **Log Reading** button. For Summer Reading, you will log days you read. When you're logging days, select **Log Days**, and then select each date you read.

Select one or more days.

Days that have reading logged are marked with a dot.

Once you've finished logging your reading, select the final orange **Log Reading** button at the bottom.

## Badges and Rewards

As you read and log, you will continue to receive more digital badges. At certain points, the system will let you know that you can come into the library to receive rewards. Visit the Adult Services desk or Youth and Teen Services desk to get your rewards!

## Tickets for Prize Drawings

When you complete certain goals, you may receive tickets to enter into special prize drawings.

Under **Ticket Drawings**, select from the different choices and enter your tickets by selecting the + or – buttons next to that option.
